

SB 1299 Implementation

Agenda for the June 18-19, 2008 Workshop

Wednesday, June 18

- 1) Welcome/long speeches
- 2) ComEd and Ameren's responses to questions and comments regarding the bill ready and rate ready assumptions
- 3) Discussion of ComEd and Ameren's system implementation time and cost estimates
- 4) Follow-up from prior billing discussions:
 - i) Handling of UCB/POR enrollments for ineligible customers: same default for all RESs or RES specific?
 - ii) Exact times for return of 867s
 - iii) # of characters per bill line
 - iv) Number of bill lines (seven plus total field in 810)
- 5) NAESB update
- 6) Next steps:
 - i. Stand-alone UCB
 - ii. Purchase of uncollectible receivables
 - iii. Retail choice and referral programs

Thursday, June 19

1. ComEd and Ameren's responses to questions and comments regarding draft tariff language
2. Items to be included in billing service agreements
